It would be much appriciated if you could arrange a local concert of the Monma fa y on the evening of August 24. The concert is not formal but informal.Small group (10～20 persons)would be nice. But it is up to you. The main purpose is the sharin friendship,not concert itself.

IFOR has no branch and contact person in Portugal so i'd like to contact with you. I'm afraid it may be bothering you,but it would be much appriciated if you could accept my proposal.

Please contact Mr.Abilio Araujo about the Monma family and their visit of Lisbon. You can get more informations from him.
Sincerely yours,

Masaoki Inaba(general secretary of JFO
